

Parimatch Review, Sign-up, and Bonus

Parimatch Review has a 26-year history and is a well-known brand. Their extensive sportsbook, which also includes slot machines and live dealer games, is a strong suit.

Parimatch is a recognizable brand with 26 years of history. Their strength is their comprehensive sportsbook, with slots and live dealer games to boot.

Parimatch is the official betting partner of Chelsea FC, and its 26-year-old brand is the best testament to its reliability and trustworthiness.

First Impression

Parimatch has a very clean and modern user interface, unlike other big sports books of similar size, as they tend to have more traditional and clunky designs. The live casino

and slots are also easy to navigate, with a modern mobile and desktop client based on HTML5 that is very friendly to the eyes.

Bonuses and Promotions

Parimatch has a first [deposit bonus](#) for the sportsbook and another one for its casino. You can choose either one of the bonuses for your first deposit, depending on whether you are a sports or casino user.

First Deposit Bonus

- 150% Slots welcome bonus of up to ₹70000 deposit for a ₹105000 bonus
- 200% Sports welcome bonus of up to ₹5000 deposit for a ₹10000 bonus
- 150% Sports welcome bonus of up to ₹13333 deposit for a ₹20000 bonus

Wagering Requirements

The Slots welcome bonus must be wagered 30x on slots and completed within 30 days of getting the bonus. If you are getting the ₹105000 Slots bonus, you need to wager $30 \times ₹105000 = ₹3150000$ before you can withdraw.

The Sports welcome bonus amount must be wagered 16x with odds of no less than 1.9 within 14 days of getting the bonus. If you are getting the ₹20000 Sports bonus, you need to wager $16 \times ₹20000 = ₹320000$ before you can withdraw.

Bonuses are only credited to accounts that have completed their KYC. Suppose the bonus wagering conditions are not fulfilled within the stipulated time limit for the expiry of the bonus.

In that case, the bonus amount will be written off from the account's balance. If at that moment, the account balance is less than the bonus amount and there are unsettled

bets, then all winnings for these bets will be written off until the full bonus amount is written off.

Players are taken care of at Parimatch Casino, and they go above and beyond to keep gamers entertained while ensuring that they use the website properly.

For instance, they advertise their games but do not specifically target children. Underage gambling is illegal, and at Parimatch casino, children are not permitted to open an account or make bets.

Customer Service

Parimatch India customer service is generally ok. Many of the problems faced by Indian customers with deposits and withdrawals are usually due to bank delays, which are commonplace among all operators in India.
